## PLEASE NOTE THE FOLLOWING CONDITIONS OF BIN HIRE

It is the client's responsibility to obey all terms and conditions listed and to load bins in a safe manner for transporting.

All asbestos & asbestos contaminated waste must be correctly double wrapped in 200 micron thick industrial plastic and be completely sealed with suitable tape.

Loads of asbestos that do not meet EPA/safety requirements will not be removed and a call out fee of \$250 will apply.

Asbestos and general waste must not be combined. All following conditions of hire apply to both asbestos bin hire and general waste bin hire.

Do not overfill bin - overload fee of \$220 applies. Bin may need to be unloaded on site or bin may not be removed.

Overweight bins incur a tonnage fee for disposal of waste over bin's weight allowance.

Hire period is five days unless other arrangement previously agreed upon.

### Further charges apply if:

- The bin is overloaded
- The load is unsafe to transport and needs to be reloaded
- The customer does not allow access for delivery / pick-up
- The load is mixed with liquid waste, green waste, mattresses, tyres or batteries
- Ace Bin Hire bin, equipment or other property is damaged whilst under the clients' or hirers' control
- **If any prohibited items are found in your load you are liable for any of the following:**
  - Load returned to your site - damages - extra pick-up/delivery fees - extended bin hire - cross contaminated
  - notify relevant authorities

### WE RESERVE THE RIGHT TO REFUSE TO REMOVE UNSAFE BINS CONTAINING;
